

WEST MEDINA WATER SUPPLY CORPORATION
BOX365
D'HANIS, TEXAS 78850

APPLICATION FOR HYDRAULIC INVESTIGATION OR DESIGN TO SERVE ADDITIONAL
METER(S)

Hydraulic Fees: 1st Connection \$130.00
 Each additional connection \$45.00

Application#

Application made this _____ day of _____, 20____ for a water service feasibility
study with W.M.W.S.C. by:

Name: _____

Address: _____

Town, State, & Zip Code _____

Phone# _____ Email _____

Herein called Applicant.

Applicant agrees to pay \$ _____ in advance, which is non-refundable for the
purpose of engineering, paperwork, etc. Any additional cost will be at the applicant's expense.
This is not a service agreement, only an application for feasibility study. A time of 60 days
should be allowed for engineering work-ups and mailings. Any decision made by the Engineer
will be final. In addition, applicant hereby agrees that should engineer approve the requested
service, applicant will submit all paperwork and fees required to process the application within
sixty (60) days of notification of said approval. Failure to do so will result in the engineer's
approval becoming void and a new hydraulic investigation may be required for a service request.
