I have submitted herewith, my application for service for _____ 5/8" water meter(s) to be located on _____ road near _____ road as shown on the attached drawing.

Attached is my check for \$650 for the purpose of engineering evaluation, which I understand is non-refundable.

I also understand that should developer type activities be undertaken, all costs incurred by West Medina Water Supply for professional service must be paid by myself and I agree to pay for these costs.

I understand that the System engineer will review my application and within sixty (60) days I will be advised as to the conditions under which service can be offered. If service is approved, I agree to have the meter(s) installed within 120 days of approval, or I will begin paying West Medina Water Supply's minimum monthly charge per meter for each approved meter. Failure to do so could lead to cancellation of the meter(s).

I understand that if the system as currently constructed is adequate for my service request, that I can obtain service after payment of the normal charges which presently are (per meter)

	<u>Short Side</u>	<u>Long Side</u>
Membership	\$100.00	\$100.00
Water Acquisition	6,700.00	6,700.00
Construction	1,200.00 (short side)	1,200.00 + Bore cost and any other expenses
Capital Recovery	<u>1,500.00</u>	<u>1,500.00</u>
Total	<u>\$9,500.00</u>	<u>\$9,500.00</u> + Bore cost and any other expenses

If line extensions or improvements are required, the application will incur this additional total cost and a Non-Standard Service Agreement may be required.

I understand that the service availability may be limited and that I may be required to prepare a subdivision plat conforming to Municipal or County Standards.
